Nyköping is located on the coast, one hour's drive south of Stockholm. Its proximity to the sea, its local character, and having the major cities of Europe within reach allow you to breathe and grow.

## School transport for pupils in compulsory school and upper secondary school for pupils with disabilities within Nyköping Municipality

## A pupil can have school transport free of charge if the pupil

- is registered in Nyköping Municipality
- is registered in the school assigned by the municipality (basic placement school) or in a preferred school in a municipality where the school transport to the school in question costs no more than it would have to the assigned school.
- fulfils one of the following criteria: long distance, traffic conditions, functional disability or other special circumstance.

### Distance regulations (kilometre limits)

For a pupil to be entitled to school transport due to the considerable distance between the home and school, the distance between their home (registered address) and the assigned school (basic placement school) must exceed:

- 3 km for Years F–3
- 4 km for Years 4–6
- 5 km for Years 7–9
- 6 km for upper secondary school for pupils with disabilities

## Who needs to apply for school transport?

- All pupils who are entitled to school transport in accordance with the distance regulations, but who for some reason are unable to travel by bus and instead need to travel by taxi
- All pupils who need school transport due to traffic conditions, documented disability or other special circumstances.
- All pupils who alternate residences (50/50)

## Who does not need to apply for school transport?

- Pupils who have been offered school transport in accordance with the [distance regulations](#) are not required to submit an application, but can simply ACCEPT the offer.  
Send your reply to [skolskjuts@nykoping.se](mailto:skolskjuts@nykoping.se) no later than 15 April.
- Apply using the e-service (Bank-ID), which you can find at [www.nykoping.se/skolskjuts](http://www.nykoping.se/skolskjuts).
- A new application must be made prior to every school year, as the decision regarding school transport is made annually for a maximum of one year each time.
